Find Yourself

HP iPAQ rx5000 Travel Companion series

Ease your mind and enjoy your travels. Whether for business, for pleasure, or a little of both the HP iPAQ Travel Companion is your personal and professional travel partner.

Find Your Way

Navigate to virtually anywhere you need to go with ease. Everything you would expect in a premier navigation solution is pre-installed and included. Just plug in and go. An integrated, high performance GPS antenna and SiRF Star III GPS receiver insure you get a strong connection. Premier GPS navigation software and complete maps pre-installed in flash memory provide fast and reliable operation. Voice guided turn-by-turn navigation instructions and on-screen prompts guide you to your destination.

Easy-to-use HP Quick Launch, large 3.5" antiglare touch screen and convenient buttons make for easy operation.

Find What You Need

Relax. The HP iPAQ Travel Companion helps simplify your travels so you get there when you need to and with what you need, in style. Stay in the know on the go. Connect to the Internet and e-mail wherever your travels take you – at an airport, hotel, or coffee shop equipped with WLAN acess. Cut the cords. Bluetooth 2.0 EDR wireless technology for convenient, wire-free, short-range communication with other Bluetooth devices. [1] Worldmate Standard Edition comes pre-installed and includes indispensable travel tools and information to assist you during your trip. Work where you want and when you want with genuine Window Mobile® 5.0 Software.

We've got your back. Persistent storage helps prevent the loss of your data, settings, an installed applications if you remove or forget to charge your battery.

Find Your Fun Side

Enjoy some downtime, fight the boredom of a long plane ride, or just relax at your leisure with access to the Internet, your favorite music, videos, photos or games. Rock on. With the large internal storage capacity and Windows Media Player 10 Mobile, you can enjoy more of your music, movies, recorded TV and videos on the go. With Photo Smart Mobile you can view, edit, and transfer photos easily between you digital camera and iPAQ via a SD card.[2]

Enjoy Solitaire and Bubble breaker, or select from a wide variety of others games to play from the HP Handheld Software Store, or from iPAQ Choice.
